

General Information

Width	4ft., 6ft., 8ft., 10ft.		
Height	38" or 42"		
Colours	White	Beige	Clay
			

Alpine T railings meet the requirements of the Ontario Building Code up to 8ft. wide. All others will meet the code with a few modifications. Please see your dealer for details.

Low profile brackets with hidden fasteners provide a very sleek look. Fully adjustable brackets are available for stairs and angled corners.

Lifetime
Warranty

Built to Last a Lifetime

Al-Mar Vinyl's railing systems are designed to last a lifetime. In fact we have one of the best warranties in the business. We are backed by Westech's lifetime warranty that is fully transferable to a subsequent homeowner. Refer to our warranty brochure for complete details.

Al-Mar Vinyl Products is a leading fabricator of vinyl railing and fencing. Over the past 15 years Al-Mar has become synonymous with innovative fence and railing design. Al-Mar combines traditional architectural design with modern extrusion technology and materials to provide a creative approach to outdoor living. Boasting the broadest line in Canada, Al-Mar is constantly expanding with innovative designs to maintain our positions as leaders in this growing industry. Through our vast dealer network of Building Supply Stores, Distributors and Home Improvement Contractors, Al-Mar has achieved unparalleled levels of service and product awareness in the region.
